**DETAILED ACTION**

***Claim Rejections - 35 USC § 102***

Claim 12 is rejected under 35 U.S.C. 102(b) as being anticipated by U.S. Patent No. 2,221,005 to Reese as in the previous office action of paper no. 15.

***Allowable Subject Matter***

Claims 1-11 are allowed.

***Response to Arguments***

Applicant's arguments filed 9/25/03 have been fully considered. Regarding claim 11, applicant has amended this claim to incorporate allowable subject matter and is allowed. Regarding claim 12, applicant argues that the prior art (Reese) does not disclose an "L" shaped cross section. Applicant argues that fig. 2: B in Reese is actually shaped like a "Z". However, Fig. 2: B incorporates a double "L" shape viewed from various perspectives. Also, the component fig. 4: 17 may be construed as an "L", or fig. 4: 26, or fig. 5:C. Applicant also argues that the "profile material" claimed is comprised of various components. The prior art discloses the basic claim structure as claimed, and therefore, meets the limitations of these claims. Also, Reese discloses the profile of the window as comprising more than one piece (fig. 4). Applicant argues the prior art does meet the limitation of a recess. However, fig. 2 discloses a recess (located at

number 28). Regardless if it is used or not, the structure contains a recess and therefore meets the limitation of the claim.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
